(B.Tech) Bachelor of Technology in computer engineering,   (2021 - 2025)
RK University (Rajkot)
CGPA : 7.52

12th [H.S.C]   (July-2021)
Cadmus school of science, (Jamnagar)
Percentage : 51.20

10th [S.S.C]   (March-2018)
Cadmus school of science, (Jamnagar)
Percentage : 63.50

SKILLS

Technical Skills : SQL, Python, .NET Framework C#, Figma
Soft Skill : self-motivated, Leadership, problem-solving

PROJECT WORK

Travel Atlas App By Using Flutter	(Dec-2023)
I developed School Management System by using Java swing	(Feb-2022)
I developed Employee Management System by using .NET Fream work	(Nov-2023)

CERTIFICATION

The fundamentals of Digital Marketing from Google	(Nov-2022)
Bootcamp & 24-Hour Hackathon (IDEATION)	(Feb-2024)

AREA OF INTREST

Continuous learning and growth, Designing, searching new, Creating new.

ACHIEVEMENT IN COLLEGE

I am happy to share my achievement at RKU. I achieved the post of Class Representative (CR) in the 7th semester.

In this position, I really learned how to manage all class members, understand the types of problems students face, and how to solve them as the Class Representative (CR). I make the right decision without any bias.
